Contact hours	= 3 hours/week x 21 weeks (total hours 3)
Total tuition time	***= 63 hours***

**Number of weeks for this position is calculated as follows: 15 teaching weeks, plus 2 weeks ramp-up to portfolio exams, and 1 week for exams, reports and marks. Therefore, a semester is calculated at 18 weeks.*

Minimum Requirements

- Academic qualifications: Master's degree in Architecture, or HEQSF equivalent (5-year BArch degree).

Critical performance areas:

- Lecturing on the above-mentioned subjects.
- Standard academic duties and responsibilities.
- Evaluate students on a continuous basis as well as administer tests and assignments according to study guides.
- Community service and Industry Liaison.
- Research, innovation or community involvement
- Setting, preparing and conducting lectures for the subjects.
- Marking assignments and tests and conducting practicals.
- Participating in departmental meetings and subject meetings.
- General administration such as capturing test and assignment marks on the ITS System, uploading documents on myTUTor and compiling subject file(s).
- Student consultation.

Experience

- 3 years teaching and/or 3 years industry experience.
- Experience of working in a high-quality academic research environment.
- An ability to teach, mentor and guide students.
- Experience of critical formative assessment of design and theory, as well as general experience offering construction at undergraduate levels.
- Presentation of practical classes and critique of designs on a group and individual basis.

Women and people with disabilities are encouraged to apply.
