Programmes : <ul style="list-style-type: none">• Extended Curriculum Programme with Foundation Provision• National Diploma: Information Technology (Software Development)• B Tech: Information Technology (Software Development)			
Special events: <p>The ICT EXPO, where third-year projects are exhibited, is a highlight of the year and of students' studies at TUT. Industry members are invited to evaluate and criticise the projects. The event often results in job offers or invitations to interviews for the students. Prizes are sponsored by industry. In 2009, four laptops were donated as prizes.</p>
