MODULE INFORMATION (OVERVIEW OF SYLLABUS)

The syllabus content is subject to change to accommodate industry changes. Please note that a more detailed syllabus is available at the Department or in the study guide that is applicable to a particular module. On 12 September 2018, the syllabus content was defined as follows:

COMMUNICATION FOR ACADEMIC PURPOSES (CAP105X) 1 X 3-HOUR PAPER
(Module custodian: Department of Applied Languages)
A workable knowledge of English is an essential skill for any graduate who is required to conduct themselves successfully in a professional working environment. This module will equip students with the competencies required to compose a selection of written texts related to communicating both internally and externally within a professional environment. In addition, the module includes strategies that are essential for the effective communication in various situations, including small groups to avoid unproductive conflict, a multicultural context, etc. (Total tuition time: not available)

COMMUNICATION FOR OCCUPATIONAL PURPOSES (COP206X) 1 X 3-HOUR PAPER
(Module custodian: Department of Applied Languages)
The module is designed to provide students with the skills necessary to engage meaningfully with English in both academic and professional environments. It aims to develop the students’ note taking and reading skills, as well as writing skills by exposing them to a selection of written texts related to a specific field of study. On completion, students will have an understanding of the writing process and be able to plan, draft, revise and edit work for clarity, coherence, style and appropriateness. (Total tuition time: not available)

COMPUTER LITERACY (CPL115X) CONTINUOUS ASSESSMENT
(Module custodian: End User Computing Unit)
Students have to acquire foundational knowledge in computing fundamentals, essential digital skills in key applications based on MS Office Suite and network basics (i.e. MS Outlook and Internet). Students will do online exams that are mapped with SAQA. (Total tuition time: not available)

COMPUTER LITERACY II (CPL215X) CONTINUOUS ASSESSMENT
(Module custodian: End User Computing Unit)
This module will equip students with the ability to improve the application of mathematical, arithmetic and business calculations, logical statements, using advanced spreadsheet functions and formulas. Students should be able to integrate various skills at an advanced level, acquired from different applications to address the business needs. Students will do online exams that are mapped with SAQA. (Total tuition time: not available)

CONSUMER BEHAVIOUR (COB205D) 1 X 3-HOUR PAPER
(Module custodian: Department of Marketing, Supply Chain and Sport Management)
An overview of the model of consumer behaviour is provided and a basic foundation is laid for the consumer decision-making process. The demographics of the South African consumer market are detailed. The student develops an understanding of the strategies focusing on the external influences on consumer behaviour. The influence of situations on the consumer is expounded. All the work is practically applied. The student develops an insight into strategies that utilise knowledge of internal (psychological) influences on consumer behaviour. The consumer decision-making process is covered in detail. Factors influencing each step of the consumer decision-making process are explained. The focus is also on the post-decision behaviour of consumers. All the work is practically applied. (Total tuition time: ± 96 hours)
