REMARKS

This programme is managed by the School of Education.

a. Admission requirement(s):

A Bachelor of Education (Hons) or an equivalent qualification, which should have been passed with an average of 60% for the honours degree to be considered for selection;

or

an M+4 qualification, which should have been passed with a programme average of 60% to be considered for selection, plus an additional professional education qualification of at least 120 credits;

or

a Bachelor of Education with an average of 60% or more. A portfolio of evidence has to be submitted and an interview will be conducted.

Each candidate has to submit the following to the School of Education before 30 October of the year preceding their studies:

- an updated curriculum vitae, including all contact details;
- a typed motivation for wishing to study for the Masters in Education: Educational Technology;
- a short description of the research topic; and
- an academic record that includes the marks obtained in the Bachelor of Education (Hons).

In addition, candidates should successfully complete Research Methodology in the first year of study if it was not included in a previous qualification. Postgraduate workshops will be held and students have to attend them.

b. Selection criteria:

Candidates who are selected on the strength of their written motivations will be invited for interviews. Candidates who succeed in their interviews will be informed in November to register.

Candidates should understand that a final decision about their admission will only be made after the interview.

c. Other requirement(s):

Candidates who wish to register for this programme should have access to the Internet, since interaction, mainly online, between facilitators and students will be encouraged.
