## Qualification code: BTLT13 - NQF Level 7

Campus where offered: Pretoria Campus

### Important notification to new applicants:

Students who intend to enrol for this qualification should take note that no new applications will be accepted as from 2020. Potential students are advised to consult the University's website for possible new qualifications which are aligned with the newly-implemented Higher Education Qualification Sub-Framework.

## REMARKS

- a. *Admission requirement(s) and selection criteria:*  
A National Diploma: Landscape Technology or an NQF Level 6 bachelor's degree in Landscape Technology from a South African university.

Holders of any other equivalent South African or international qualifications may also be considered, but will have to apply about six months in advance for the recognition of such qualifications. Candidates will be required to submit an evaluation of their qualifications by the South African Qualifications Authority (SAQA) with their application forms for admission. The Faculty reserves the right to assess these qualifications and the applicant's suitability/competence for admission to the programme. Proof of English proficiency may be required. Depending on the nature of such an equivalent qualification, the completion of certain additional subjects may be required.

- b. *Selection criteria:*  
Selection is based on an assessment by a departmental selection panel.

- c. *Minimum duration:*  
One year.

- d. *Presentation and registration:*  
Block-mode classes.

- e. *Intake for the qualification:*  
January only.

- f. *Exclusion and readmission:*  
See Chapter 2 of Students' Rules and Regulations.

- g. *Recognition of Prior Learning (RPL), equivalence and status:*  
See Chapter 30 of Students' Rules and Regulations.
