

MASTERS IN EDUCATION

Qualification code: MEED05 - NQF Level 8

Campus where offered: Soshanguve North Campus

Important notification to new applicants:

Before submitting an application for admission, applicants are advised to consult the University's website for possible new qualifications which are aligned with the newly-implemented Higher Education Qualification Sub-Framework.

REMARKS

This programme is managed by the School of Education.

a. Admission requirement(s):

A Bachelor of Education (Hons) or an equivalent qualification, which should have been passed, with an average of 60% to be considered for selection.

Each Candidate have to submit the following to the School of Education before 30 October of the year preceding their studies:

- an updated curriculum vitae, including all contact details;
- a typed motivation for wishing to study for the Masters in Education;
- a short description of the research topic; and
- an academic record that includes the marks obtained in the Bachelor of Education (Hons).

In addition, candidates should successfully complete Research Methodology in the first year of study if it was not included in a previous qualification. Postgraduate workshops will be held and students have to attend them.

- Candidates should understand that neither an average of 60% nor the submission of the portfolio automatically gives them admission to the Masters in Education. If a candidate's portfolio is accepted, he or she will be invited to an interview. During this interview, a final decision will be taken about his or her admission.
- Candidates, who did not obtain their previous qualification at TUT should submit an application form to Student Administration in order to obtain a student number.

b. Selection criteria:

Candidates who are selected on the strength of their written motivations will be invited for interviews. Candidates who succeed in their interviews will be informed during November to register.

c. Duration:

A minimum of one year and a maximum of three years.

d. Presentation:

Research.

e. Intake for the qualification:

January and July.

f. Rules on postgraduate studies:

See Chapter 8 of Students' Rules and Regulations.
