

MASTER OF HEALTH SCIENCES

Qualification code: MDHS19 - NQF Level 9 (180 credits)

SAQA ID: 96890, CHE NUMBER: H16/11150/HEQSF

Campus where offered:

Arcadia Campus

REMARKS

a. *Admission requirement(s):*

A postgraduate diploma, **or** a bachelor honours degree, **or** a professional bachelor degree **or** a baccalaureus technologiae degree from an accredited South African university in the related or envisaged field of study of the applicant.

Candidates with a baccalaureus technologiae degree will be required to complete bridging module(s), namely Advanced Research Methodology (Theory and/or Biometry and/or Proposal) on NQF Level 8, as prescribed by the academic department. The bridging module(s) could be done prior or concurrently with this Master's programme.

Holders of any other equivalent South African or international qualification may also be considered, see Chapter 1 of Students' Rules and Regulations.

b. *Selection criteria:*

Selection based on a personal interview with a departmental selection panel may be required in certain programmes. Details regarding selection interview are obtainable from specific departments. Registration prior to the approval of a research proposal is provisional and will be officially ratified only when the proposal is approved by the Faculty Committee for Postgraduate Studies. These procedures will be fully explained to prospective candidates before registration.

c. *Duration:*

A minimum of one year and a maximum of three years.

d. *Presentation:*

Research.

e. *Intake for the qualification:*

January and July.

f. *Rules on postgraduate studies:*

See Chapter 8 of Students' Rules and Regulations.

g. *Module credits:*

Module credits are shown in brackets after each module.
