AFRIKAANS: SKAKELWESE B (AFP140T)**1 X 3-HOUR PAPER**

(Subject custodian: Department of Applied Languages)

The language as instrument applies. Effective and correct use, as well as the style and register of this language, form the core of the subject. The career environment is the point of departure and national and international events are the themes under discussion. (Total tuition time: ± 96 hours)

C**COMMUNICATION SCIENCE I (CSC120T)****1 X 3-HOUR PAPER**

(Subject custodian: Department of Integrated Communication)

As a major subject, this subject forms a theoretical basis for all the other subjects. The aim is to give insight into the importance and scope of communication in the communication field, and to prepare students to apply the principles of communication science theory in the field with regard to organisational communication, inter-cultural communication and mass communication. (Total tuition time: ± 192 hours)

COMMUNICATION SCIENCE II (CSC220T)**1 X 3-HOUR PAPER**

(Subject custodian: Department of Integrated Communication)

Students are informed about and become familiarised with certain theoretical concepts and principles of communication extending the theoretical aspects covered in the first year. Insight and self-application are needed for mastering the theoretical principles. The scope and degree of application will increase during the year, and it will become increasingly important to think independently. (Total tuition time: ± 166 hours)

COMMUNICATION SCIENCE: THEORY III (CSC31PT)**1 X 3-HOUR PAPER**

(Subject custodian: Department of Integrated Communication)
