

DIPLOMA IN PUBLIC AFFAIRS

Qualification code: DPPA20 – NQF Level 6 (360 credits)

SAQA ID: 111241, CHE NUMBER: H/H16/E129CAN

Campus where offered:

Soshanguve South, Mbombela and Polokwane campuses

REMARKS

a. *Admission requirement(s) and selection criteria:*

• **APPLICANTS WHO OBTAINED A SENIOR CERTIFICATE BEFORE 2008:**

Admission requirement(s):

A Senior Certificate or an equivalent qualification, with a D symbol at Higher Grade for English and three other subjects at Higher Grade.

Selection criteria:

To be considered for this qualification, applicants must have an Admission Point Score (APS) of at least **20**.

• **APPLICANTS WHO OBTAINED A NATIONAL SENIOR CERTIFICATE IN OR AFTER 2008:**

Admission requirement(s):

A National Senior Certificate with a bachelor's degree or a diploma endorsement, or an equivalent qualification, with an achievement level of at least 3 for English (home language or first additional language) and 3 for Mathematics or Mathematical Literacy.

Selection criteria:

To be considered for this qualification, applicants must have an Admission Point Score (APS) of at least **20** (excluding Life Orientation).

• **APPLICANTS WITH A NATIONAL CERTIFICATE (VOCATIONAL):**

Admission requirement(s):

A National Certificate (Vocational) with a bachelor's degree or a diploma endorsement, with at least 50% for English (home language or first additional language) and 40% for Mathematics or Mathematical Literacy, 40% for Life Orientation (excluded for APS calculation), 50% for any other three compulsory vocational subjects.

Selection criteria:

To be considered for this qualification, applicants must have an Admission Point Score (APS) of at least **20** (excluding Life Orientation).

b. *Assessment procedures:*

No further assessment will be done. Applicants who achieve the minimum APS will be considered until the programme complement is full. All completed applications received within the published due dates will be ranked. After consideration of the Departmental Student Enrolment Plan, only the top ranking applicants will be selected. Once a programme is full, a waiting list will be in place to provide an opportunity for applicants to fill places of those who did not register on time. Applicants will be informed of their status per official letter from the Office of the Registrar, alternatively, they can check their application status on the TUT website, www.tut.ac.za.

c. *Recognition of Prior Learning (RPL), equivalence and status:*

See Chapter 30 of Students' Rules and Regulations.

d. *Intake for the qualification:*

January only.

e. *Presentation:*

Day classes.

- f. *Minimum duration:*
Three years.
- g. *Exclusion and readmission:*
See Chapter 2 of Students' Rules and Regulations.

CURRICULUM

Students register for any one of the following options:

OPTION 1: ADMINISTRATION OF THE STATE (DPAI20)

FIRST YEAR

MODULE INFORMATION (OVERVIEW OF SYLLABUS)

The syllabus content is subject to change to accommodate industry changes. Please note that a more detailed syllabus is available at the department or in the study guide that is applicable to a particular Module. On 30 October 2019, the syllabus content was defined as follows:

A

ADMINISTRATIVE LAW IIB (ALW216D) 1 X 3-HOUR PAPER **(Module custodian: Department of Public Management)**

The module will equip a student with the knowledge and understanding of the origin and principles of administrative law, and how administrative law relates to other fields of law. A student will also be able to explain administrative law in political system, demonstrate insight into the workings of bureaucratic institutions, including particularly delegation of power, show an understanding of how policies are implemented through administrative agencies, and explain the role of administrative agencies in the processes of government, rule-making, adjudication and judicial review of agency actions. (Total tuition time: ± 100 hours)

C

COMMUNICATION FOR ACADEMIC PURPOSE IA (CCU105D) 1 X 3-HOUR PAPER **(Module custodian: Department of Applied Languages)**

A workable knowledge of English is an essential skill for any graduate who is required to conduct themselves successfully in a professional working environment. This module will equip students with the competencies required to compose a selection of written texts related to communicating both internally and externally within a professional environment. In addition, the module includes strategies that are essential for the effective communication in various situations, including small groups to avoid unproductive conflict, a multicultural context, etc. (Total tuition time: not available)

COMPUTER LITERACY IB (CPL115D) CONTINUOUS ASSESSMENT **(Module custodian: End-User Computing Unit)**

Students have to acquire foundational knowledge in computing fundamentals, essential digital skills in key applications based on MS Office Suite and network basics (i.e. MS Outlook and Internet). Students will do online exams that are mapped with SAQA. (Total tuition time: not available)

CONSTITUTIONAL LAW IB (CON115D) 1 X 3-HOUR PAPER **(Module custodian: Department of Law)**

The module will equip a student with understanding, meaning and purpose of the Constitution, and be able to discuss the history of the Constitution and explain the origin and principles of Constitutional law. The student will understand how Constitutional Law relates to other fields of law such as administrative, and explain the meaning of constitutional state, supremacy of the constitution, rule of law and legality. A student will also demonstrate insight into the institutional framework within which state power is exercised, especially within the context of the doctrine of separation of powers. (Total tuition time: ± 100 hours)

E

ENVIRONMENTAL MANAGEMENT AND SUSTAINABLE DEVELOPMENT IIB (EMB316D) 1 X 3-HOUR PAPER **(Module custodian: Department of Public Management)**

A student will be able to explain the meaning of environmental management and sustainable development, discuss interrelationship between economic progress, environmental management and individual well-being, and in the context of environmental management, discuss the implication of globalisation on sustainable growth. A student will also be able to discuss the following components of sustainable development: social, economic, ethical and ecological components, and determine how these components of sustainable developments could be balanced. (Total tuition time: ± 50 hours)

G

GOVERNANCE AND PUBLIC LEADERSHIP IA (GLA115D)	1 X 3-HOUR PAPER
GOVERNANCE AND PUBLIC LEADERSHIP IB (GLB115D)	1 X 3-HOUR PAPER

(Module custodian: Department of Public Management)

The module will equip a student with foundational knowledge as it relates to public affairs. This makes the first part of the purpose of the programme. A student will be able to discuss the history and system of governance in South Africa, the colonial, apartheid and democratic era, and further be able to explain and discuss the principle of constitutional democracy and its implication as the organising principle of the post-apartheid state, and how this principle is enhanced through checks and balances, and explain and discuss the macro-organisation of the state, including the different organs of the state and their strategic mandates. (Total tuition time: ± 120 hours)

GOVERNANCE AND PUBLIC LEADERSHIP IIA (GLA216D)	1 X 3-HOUR PAPER
GOVERNANCE AND PUBLIC LEADERSHIP IIB (GLB216D)	1 X 3-HOUR PAPER

(Module custodian: Department of Public Management)

The module will equip a student with foundational knowledge as it relates to public affairs. This makes the first part of the purpose of the programme. The emphasis is on the scope of knowledge and knowledge literacy. The exit level outcomes for the module are that the a student should be able to discuss the evolution of the post-apartheid public service, identify and explain the challenges of the post-apartheid bureaucracy, explain and discuss ethical leadership and good governance, and explain the concept and theory of public leadership. (Total tuition time: ± 100 hours)

GOVERNANCE AND PUBLIC LEADERSHIP IIIA (GLA316D)	1 X 3-HOUR PAPER
GOVERNANCE AND PUBLIC LEADERSHIP IIIB (GLB316D)	1 X 3-HOUR PAPER

(Module custodian: Department of Public Management)

This module will equip a student with foundational and practical knowledge for application in the management of public affairs, focusing specifically on issues of governance and public leadership. The module will provide learners with leadership skills that would enable them to function optimally in the public sector: negotiations, conflict management, decision-making, problem-solving, and interpersonal relations. (Total tuition time: ± 100 hours for GLA316D and 50 hours for GLB316D)

GOVERNMENTAL RELATIONS IIIA (GVA316D)	1 X 3-HOUR PAPER
--	-------------------------

(Module custodian: Department of Public Management)

This module is aimed at enabling a student to clearly explain the concept of intergovernmental relations, including its origin, various approaches, and classification of intergovernmental relations, the structure of government in intergovernmental relations, and discuss various models of intergovernmental relations and the evolution of intergovernmental relations. A student will also be able to analyse intergovernmental relations in South Africa, relate intergovernmental relations to service delivery, and reflect on co-operative governance as a variable of intergovernmental relations. (Total tuition time: ± 100 hours)

I

INFORMATION AND KNOWLEDGE MANAGEMENT IIA (IKA216D)	1 X 3-HOUR PAPER
INFORMATION AND KNOWLEDGE MANAGEMENT IIB (IKB216D)	1 X 3-HOUR PAPER

(Module custodian: Department of Public Management)

The module will equip a student with foundational and practical knowledge on information and knowledge management. A student will be able to delineate the distinction between information management and knowledge management, explain the concept of informatisation of society, determine the implication of information and communication technologies on public affairs, make a distinction between e-government and e-governance, and assess the feasibility of e-democracy and e-voting. (Total tuition time: ± 100 hours)

INFORMATION LITERACY IB (INY125D)	CONTINUOUS ASSESSMENT
--	------------------------------

(Module custodian: Directorate of Library and Information Services)

Introduction of information literacy. Development of a search strategy and application of a search string to search engines and academic databases. Evaluation of information sources. Ethical and legal use of information. (Total tuition time: not available)

INTERNATIONAL FINANCE IIA (IFI216D)**1 X 3-HOUR PAPER****(Module custodian: Department of Public Management)**

The module is meant to equip students with the international financial system and to understand the state of the world economy and relate globalisation to international power relations. A student will be able to explain how exchange rates, inflation, current accounts and balance of payments are determined, and calculate the current deficits. Furthermore, a student will be able to explain and discuss the implications of the liberalisation of the emerging markets economies on the world economy, and analyse the international financial architecture. (Total tuition time: ± 100 hours)

INTERNATIONAL LOCAL GOVERNMENT LAW IIB (ILB216D)**1 X 3-HOUR PAPER****(Module custodian: Department of Public Management)**

The module is intended to equip a student with knowledge and understanding of the international local government law and to demonstrate how the traditional way of creating local government laws is changing in an increasingly internationalisation of public affairs. A student should be able to understand, identify and analyse international treaties, agreements, and commitments and their implications on local government, and to show how negotiations of international trade agreements, decisions of international tribunals, United Nations and African Union Treaties. (Total tuition time: not available)

INTERNATIONAL POLITICS IIB (IPO216D)**1 X 3-HOUR PAPER****(Module custodian: Department of Public Management)**

The aim of the module is to equip a student with knowledge that will enable them to explain the configuration of the international political system, the changing character of international politics, the principle of international relations, and critically evaluate the state of global politics and determine their implications on the administration of the state. (Total tuition time: ± 100 hours)

INTERNATIONAL RELATIONS AND DIPLOMACY IIIA (IRA316D)**1 X 3-HOUR PAPER****(Module custodian: Department of Public Management)**

At the end of the module a student will understand how sovereign states relate in the international system, demonstrate understanding of the history of international relation system and explain how international relation system is maintained, how diplomacy is structured to manage international relations, and maintain co-operative relationships among the nation states, and achieve collective capacity to solve inter-state conflicts. Furthermore, a student will be able to explain the role of international organisations in international relations, the theory and institution of diplomacy, and the process of diplomacy. (Total tuition time: ± 100 hours)

INTERNATIONAL TRADE AND LOCAL GOVERNMENT IB (ITL115D)**1 X 3-HOUR PAPER****(Module custodian: Department of Public Management)**

The module is designed to equip a student with foundational knowledge on international trade and its implication on local government, and to understand and explain the meaning and purpose of international trade agreements, the implication of trade agreements and globalisation on the municipalities, especially from regulations and rules point of view (by-laws), and to identify and analyse international trade agreements and their implications on local economic development. (Total tuition time: not available)

INTERNATIONAL TRADE IIIA (ITA316D)**1 X 3-HOUR PAPER****(Module custodian: Department of Public Management)**

At the end of this module, a student will be equipped with knowledge on what determines the flow of goods across the countries and flow of savings and investment from one country to another, and be able to discuss globalisation and international trade. Furthermore, a student will be able to explain the implication of free trade agreements on domestic economy, describe the global financial architecture and their role in the world economy, and demonstrate clear understanding of aspects such as exchange rates and account deficit and their implications on international trade. (Total tuition time: ± 100 hours)

INTRODUCTION TO POLITICAL THEORY IA (ILA115D)**1 X 3-HOUR PAPER****(Module custodian: Department of Public Management)**

At the end of this module a student will be able to understand what political theory is, based on the major concepts and ideas that underpin its essence; read, understand and dissect the thoughts and texts of prominent political theorists such as Plato, Aristotle, Marx, Machiavelli, Nietzsche, Locke, and Gramsci; analyse political arguments, and a student ability to formulate their own as part of the discourse on how to manage co-existence in the public sphere, and articulate the history of political theory: ancient political theory, social contract tradition, utilitarian tradition, critical tradition, and contemporary liberalism. (Total tuition time: ± 100 hours)

INTRODUCTION TO THE THEORY OF KNOWLEDGE IA (ITK115D)**1 X 3-HOUR PAPER****(Module custodian: Department of Public Management)**

At the end of the module a student will be able to explain the meaning of, and sources of knowledge and the main theories of knowledge: foundationalism, coherentism, reliabilism, and virtue epistemology. They will also be able to explain the Gettier problem, internalism and externalism, scepticism, the problem of epistemic circularity, the problem of criterion, a priori knowledge and naturalised epistemology, and make a distinction between epistemology, gnosology and ontology. Again, they will be able to locate the epistemological, ontological and gnosological disposition of public affairs as a disciplinary pursuit. (Total tuition time: ± 100 hours)

L**LIFE SKILLS IA (LSK125D)****CONTINUOUS ASSESSMENT****(Module custodian: Directorate of Student Development and Support)**

Academic, personal and socio-emotional skills development for students in higher education. Personal and social dimensions address: effective planning and self-management (goal setting and time management); Adjusting to university life (student life, diversity and change); Intra- and interpersonal skills development (conflict management, self-esteem, relationship management); Effective living (healthy living, HIV education, substance abuse); Academic dimension addresses: academic skills for university (e.g. critical thinking, creativity, managing assignments and assessments). (Total tuition time: not available)

LOCAL GOVERNMENT IA (LGA115D)**1 X 3-HOUR PAPER****LOCAL GOVERNMENT IB (LGB115D)****1 X 3-HOUR PAPER****(Module custodian: Department of Public Management)**

The module introduces a student to the concept of local government in the context of its historiography, attributes, and as a political instrument for development and a means to institutionalise democracy. A student should be able to contextualise local government and underscore its essence in the broader context of the concept of government, discuss democracy, liberty, equality, and tolerance as ends of local government. (Total tuition time: ± 100 hours)

LOCAL GOVERNMENT IIA (LGA216D)**1 X 3-HOUR PAPER****LOCAL GOVERNMENT IIB (LGB216D)****1 X 3-HOUR PAPER****(Module custodian: Department of Public Management)**

The module is designed to enhance a student's foundational insight into local government, and equip them with practical knowledge of local government in relation to the praxis of the local sphere of government. A student should be able to reflect on local government in the context of political leadership, party systems and representation, and discuss the new way of managing local government for improved delivery of services. (Total tuition time: ± 100 hours)

LOCAL GOVERNMENT IIIA (LGA316D)**1 X 3-HOUR PAPER****LOCAL GOVERNMENT IIIB (LGB316D)****1 X 3-HOUR PAPER****(Module custodian: Department of Public Management)**

The module is designed to expand a student's theoretical insight and practical knowledge of local government, by focusing electoral politics and local government, philosophy of utilitarianism and local government, and service delivery. A student should be able to illustrate how local government/ municipal elections institutionalise local democracy, explain South Africa's electoral system and its implications of local government elections, and analyse voter behaviour and pattern in South Africa. (Total tuition time: ± 100 hours for LGA316D and 50 hours for LGB316D)

LOCAL GOVERNMENT ECONOMICS IA (LCA115D)**1 X 3-HOUR PAPER****LOCAL GOVERNMENT ECONOMICS IB (LCB115D)****1 X 3-HOUR PAPER****(Module custodian: Department of Public Management)**

The module is designed to equip a student with the knowledge of the basic concepts and theories of local government economics. A student should be able to explain the economic basis of local government - the economic efficiency case for decentralised government: defining decentralisation; the allocative efficiency case for local government; technical efficiency and economies of scale; the trade-offs between decentralisation and economies of scale. A student will also understand the composition of local government expenditure; the macroeconomic rationale for central government control; the microeconomic rationale for central government control, and the economics of local government charges: achieving equity via exemptions and concessions, alternative charging methodologies; international charging practices, politics and charging practices. (Total tuition time: ± 100 hours)

LOCAL GOVERNMENT INVESTMENT IB (LGI115D)**1 X 3-HOUR PAPER****(Module custodian: Department of Public Management)**

The module is designed to expose a student on share Investment and dividends in the context of municipality. A student will also understand dividends, shares, returns, risks, tax advantage, capital gains and tax advantage. (Total tuition time: ± 100 hours)

M**MANAGING HUMAN CAPITAL IN THE PUBLIC SECTOR IIA (HCA216D)****1 X 3-HOUR PAPER****MANAGING HUMAN CAPITAL IN THE PUBLIC SECTOR IIB (HCB216D)****1 X 3-HOUR PAPER****(Module custodian: Department of Public Management)**

The module is designed to equip a student with foundational and practical knowledge as it relates to public affairs. A student should be able to make a distinction between human capital and human resources management, explain human capital management, contextualise and apply the concept of human capital in the public sector, and link human capital to organisational vision, mission and strategy. (Total tuition time: ± 100 hours)

MANAGING HUMAN CAPITAL IN THE PUBLIC SECTOR IIIA (HCA316D)**1 X 3-HOUR PAPER****MANAGING HUMAN CAPITAL IN THE PUBLIC SECTOR IIIB (HCB316D)****1 X 3-HOUR PAPER****(Module custodian: Department of Public Management)**

The module is designed to equip a student with foundational and practical knowledge as it relates to public affairs. A student should be able to explain and discuss public sector compensation, show how public sector compensation is determined and how leaves are managed in the public sector. A student is also expected to have the ability to discuss the concept and praxis of performance management in the public sector and to show how talent can be retained and how knowledge can be managed. (Total tuition time: ± 100 hours)

MANAGEMENT OF LOCAL DEVELOPMENT IIA (MLD216D)**1 X 3-HOUR PAPER****(Module custodian: Department of Public Management)**

The aim of the module is to assist a student to understand development theory, the concept of sustainable development and the role of local government towards its pursuit. A student will be able to describe and explain a range of international trends in economic development and conceptualise and theorise developmental local government. A student will be able to contribute toward the formulation of integrated development plan (IDP) to achieve developmental local government and conceptualise and design local economic development (LED) plans and strategies, and link IDP and LED for strategic coherence in the pursuit of the developmental local government. (Total tuition time: ± 100 hours)

MUNICIPAL FINANCE IIA (MFA216D)**1 X 3-HOUR PAPER****MUNICIPAL FINANCE IIB (MFB216D)****1 X 3-HOUR PAPER****(Module custodian: Department of Public Management)**

The module is intended to equip a student with knowledge and understanding of the legislative framework for municipal finance, governance issues relating to municipal administration, municipal budgeting, financial report, revenue management and administration of debts, cash management and supply chain management. A student should be able to describe the legislative framework relating to municipal finance, and to demonstrate extensive understanding of the governance issues relating to the administration of the municipalities. (Total tuition time: ± 100 hours)

MUNICIPAL FINANCE IIIA (MFA316D)**1 X 3-HOUR PAPER****MUNICIPAL FINANCE IIIB (MFB316D)****1 X 3-HOUR PAPER****(Module custodian: Department of Public Management)**

The module is intended to equip a student with knowledge and understanding of important issues of municipal finance. A student should be able to conduct stakeholder consultation and municipal finance, apply inter-governmental fiscal relation legislation to municipal financial management and techniques and statutes to cash and investment management in a municipal context, to understand risk management and apply its principles in a municipal setting, design internal control and internal evaluation framework for municipal finance, and to conduct performance management for municipalities. (Total tuition time: ± 100 hours or MFA316D and 50 hours for MFB316D)

MUNICIPAL LAW IIB (MNL216D)**1 X 3-HOUR PAPER****(Module custodian: Department of Law)**

The module is intended to equip a student with knowledge and understanding of the constitutional and legislative position of local government in a constitutional democracy, including its roles and duties. A student should be able to explain the constitutional and legislative position of local government in a constitutional democracy, discuss the roles and duties of municipalities, explain how municipal council is constituted, including their term of office, internal arrangements in relation to the management and functioning of municipalities in South Africa's legal system and the basic legal principles relevant to the administration of local government. (Total tuition time: ± 100 hours)

O**ORGANISATION THEORY AND INSTITUTIONAL DESIGN IIB (OTB216D)****1 X 3-HOUR PAPER****ORGANISATIONAL THEORY AND INSTITUTIONAL DESIGN IIIB (OTB316D)****1 X 3-HOUR PAPER****(Module custodian: Department of Public Management)**
