

MASTER OF COMPUTING

Qualification code: MSCO17 - NQF Level 9 (180 credits)

SAQA ID: 96920, CHE NUMBER: H16/10793/HEQSF

Campus where offered:

Soshanguve South Campus

REMARKS

a. Admission requirement(s):

A baccalaureus technologiae or an honours degree or a postgraduate diploma in the field of Information Technology, Computer Science, Computer Systems Engineering, Informatics and Multimedia or a closely related field in Computing.

Candidates should have achieved an average of 60% in the previous qualification, if not, special permission must be obtained from the Department. All baccalaureus technologiae candidates who have not completed Advanced Research Methodology, Advanced Research Project and Development Trends in Computing, (or their equivalents) at NQF Level 8, will be required to complete these subjects concurrently with this qualification.

Holders of any other equivalent South African or international qualification may also be considered, see Chapter 1 of Students' Rules and Regulations.

b. Selection criteria:

Admission to this programme is only granted after a successful interview with the Department. Admission is subject to selection. Acceptance is subject to available capacity according to the Student Enrolment Plan (SEP) as well as supervisory capacity. Applicants will be informed of their status per official letter from the Office of the Registrar, alternatively, they can check their application status on the TUT website, www.tut.ac.za.

c. Recognition of Prior Learning (RPL), equivalence and status:

See Chapter 30 of Students' Rules and Regulations.

d. Intake for the qualification:

January only.

e. Presentation:

Research. The topic should be chosen in consultation with the Department.

f. Duration:

A minimum of one year and a maximum of three years.

g. Rules on postgraduate studies:

See Chapter 8 of Students' Rules and Regulations.
