REMARKS

a. *Admission requirement(s):*

A relevant Magister Technologiae: Architecture or Master's degree in Architecture, or closely related field, obtained from an accredited South African university. Depending on the nature of the Master's qualification, the completion of certain additional subjects may be required.

Holders of any other equivalent South African or international qualification may also be considered, see Chapter 1 of Students' Rules and Regulations.

b. *Selection criteria:*

Each application is considered holistically, taking into account the applicant's background, experiences, perspectives, aspirations, values, accomplishments and possible fit within the graduate programme of the Department of Architecture. Assessments are based on the totality of information available and no single factor is seen as decisive.

The application process evaluates the candidates' previous academic performance; the submitted admissions' essay, reference letters, previous experiences in architectural design research or architectural technology research and career objectives.

The interview panel will be looking to identify specific character traits including: honesty, integrity, leadership, team work, maturity, creativity and self-direction. The ability to make a positive contribution to society, the profession and the discipline are other important factors.

Acceptance is subject to available capacity according to the Student Enrolment Plan (SEP) as well as supervisory capacity. Applicants will be informed of their status per official letter from the Office of the Registrar, alternatively, they can check their application status on the TUT website, www.tut.ac.za. For detailed information on the application process, please contact the Head of the Department.

c. *Recognition of Prior Learning (RPL), equivalence and status:*

See Chapter 30 of Students' Rules and Regulations.
