MODULE INFORMATION (OVERVIEW OF SYLLABUS)

The syllabus content is subject to change to accommodate industry changes. Please note that a more detailed syllabus is available at the Department or in the study guide that is applicable to a particular module. At time of publication, the syllabus content was defined as follows:

A

ADVANCED RESEARCH METHODOLOGY V (RCC108G)

CONTINUOUS ASSESSMENT

(Module custodian: Department of Business and Information Management Services)

Identify and formulate research idea and problem. Conduct a literature review. Select a research approach and develop an appropriate research design. Plan the research methods. Gain access and research ethics. Piloting data collection instrument. Data analysis techniques. Outline of the research report. Prepare defendable research proposal. Present and communicate a final draft of a research proposal to a range of audiences. (Total notional time: 300 hours)

C

CONTACT CENTRE CUSTOMER RELATIONS V (CCR108G)

1 X 3-HOUR PAPER

(Module custodian: Department of Business and Information Management Services)

The purpose of this module is to equip students with applied competence in management skills for effective management of customer relations as an integral part of contact centre operations. In order to understand different customer care management skills, students will be introduced to antecedents of relationship management, relationship loyalty, customer acquisition, retention and trust. The module further helps students develop confidence, discipline and problem-solving skills in order to build and maintain good relationships with their customers for the benefit of their organisation. (Total notional time: 300 hours)

CONTACT CENTRE MANAGEMENT V (CCM108G)

1 X 3-HOUR PAPER

(Module custodian: Department of Business and Information Management Services)

This module aims to encourage understanding, knowledge and critical appraisal of the strategic management of contact centres. Students will gain knowledge of, and skills to manage advanced contact centres business processes, advice senior management on the selection of the latest technological resources to enhance productivity, analyse the investment of contact centre employees through the application of people management functions such as performance management, compensation, absenteeism and retention. (Total notional time: 300 hours)

H

HUMAN RESOURCE MANAGEMENT V (HRM108G)

1 X 4-HOUR PAPER (OPEN BOOK)

(Module custodian: Department of People Management and Development)

The purpose of the module is to enable students to demonstrate knowledge to strategically manage the Human Resource Management (HRM) process within the contact centre and to develop people management skills essential for human resource work, such as interviewing, coaching, managing conflict and managing performance. Students will be able to function as a strategic HRM partner in consultation with management within a contact centre environment. (Total notional time: 300 hours)
