MODULE INFORMATION (OVERVIEW OF SYLLABUS)

The syllabus content is subject to change to accommodate industry changes. Please note that a more detailed syllabus is available at the Department or in the study guide that is applicable to a particular module. At time of publication, the syllabus content was defined as follows:

C

CONTACT CENTRE CUSTOMER RELATIONS IV (CCR107V) CONTINUOUS ASSESSMENT **(Module custodian: Department of Business and Information Management Services)**

The module equips students with applied competence in the implementation of the steps in the strategic sales management process. Students gain knowledge of, and skills to organise and develop the sales force with special emphasis on the methods for setting up sales forecasts and sales budgets. Students also learn about the importance of applying different business-to-business sales and customer relationship management strategies as well as process management skill such as supervising, leading and managing techniques. (Total notional time: 300 hours)

CONTACT CENTRE MANAGEMENT IV (CCM107V) CONTINUOUS ASSESSMENT **(Module custodian: Department of Business and Information Management Services)**

The purpose of this module is to deepen students' knowledge and understanding of the theories, methodologies and practices associated with the management of advanced contact centers as well as to develop applied competence to perform functional managerial activities. (Total notional time: 300 hours)

H

HUMAN RESOURCE MANAGEMENT IV (HRM107V) 1 X 3-HOUR PAPER **(Module custodian: Department of People Management and Development)**

The purpose of this module is to enable students to comprehend that strategic human resources management is concerned with longer-term people issues, commitment and matching people to future needs in the workplace. Reinforcing attention on the need to base Human Resource Management strategies and processes on the requirement to and processes on the requirement to create value through people and thus further the achievement of organisational goals. The role of Human Resource specialists as business partners is also accentuated as well as HR competence. (Total notional time: 300 hours)

R

RESEARCH METHODOLOGY IV (RCC107V) CONTINUOUS ASSESSMENT **(Module custodian: Department of Business and Information Management Services)**

The purpose of this module is to introduce students to scientific research skills required to compile a basic research proposal for projects within a field of management sciences. This module lays the foundation for reviewing academic literature, selecting appropriate scientific research designs and methods in adherence to ethical research principles for projects within a field of management sciences. (Total notional time: 300 hours)
