VACANCY BULLETIN

PART-TIME LECTURER MATHEMATICS
DEPARTMENT OF MATHEMATICS, SCIENCE, AND BUSINESS EDUCATION
FACULTY OF HUMANITIES
SOSHANGUVE NORTH CAMPUS
Ref: 26/G110

The Department of Mathematics, Science, and Business Education in the Faculty of Humanities invites applications for a Part-time Lecturer for the 2027 academic year at the Tshwane University of Technology at Soshanguve North Campus.

INSTRUCTIONS: Applicants are required to submit, together with the CVs, a fully completed standardized application form available from the university intranet as well as recently certified copies of qualifications and Identity Document. Failure to comply with this instruction will disqualify the candidate. Candidates may be subjected to appropriate psychometric testing and other selection instruments.

Key performance areas/Core functions:

- Facilitate teaching and learning in Mathematics modules at undergraduate and/or postgraduate level.
- Develop, review, and update Mathematics curricula, study guides, lesson plans, and learning materials in line with institutional and national requirements.
- Prepare and deliver lectures, tutorials, practical sessions, and online learning activities using appropriate teaching methodologies.
- Design, administer, and moderate tests, assignments, examinations, and other assessment activities.
- Provide academic support, mentoring, and consultation to students to enhance success and throughput rates.
- Supervise undergraduate and postgraduate research projects where applicable.
- Conduct scholarly research and produce accredited publications in the field of Mathematics and Mathematics Education.
- Present research findings at conferences, seminars, and academic forums.
- Participate in curriculum development and programme review processes aligned with quality assurance requirements.
- Contribute to community engagement projects that promote Mathematics education and development.
- Participate in departmental, faculty, and institutional committees as required.
- Maintain accurate academic records and submit reports within prescribed deadlines.
- Integrate educational technologies and innovative teaching practices to enhance student learning.

Women and people with disabilities are encouraged to apply.
