VACANCY BULLETIN

PART-TIME LECTURER PHYSICAL SCIENCE (PHYSICS EDUCATION)
DEPARTMENT OF MATHEMATICS, SCIENCE AND BUSINESS EDUCATION
FACULTY OF HUMANITIES
SOSHANGUVE NORTH CAMPUS
Ref: 26/G108

The Department of Mathematics, Science, and Business Education in the Faculty of Humanities invites applications for a Part–Time Lecturer position for the 2027 academic year at the Soshanguve North Campus.

INSTRUCTIONS: Applicants are required to submit, together with the CVs, a fully completed standardized application form available from the university intranet as well as recently certified copies of qualifications and Identity Document. Failure to comply with this instruction will disqualify the candidate. Candidates may be subjected to appropriate psychometric testing and other selection instruments.

Key performance areas/Core functions:

- Teach Physical Science (Physics Education) and related Didactics modules at undergraduate and postgraduate levels.
- Present lectures, facilitate learning, and assess students in Physical Science (Physics) within the Bachelor of Education (Senior Phase and Further Education and Training Teaching) specialisation.
- Develop, review, and update curriculum content in alignment with Higher Education Quality Committee (HEQC) requirements and institutional guidelines.
- Perform administrative duties related to teaching, learning, assessment and quality assurance within the Physical Science programme.
- Coordinate and administer Work-Integrated Learning (WIL) activities, including school placements and stakeholder engagement.
- Support the Head of Department and/or Section Head in matters relating to the management and development of the Physical Science programme.
- Provide academic advising, mentorship and support to students through consultations, performance monitoring and intervention strategies.
- Establish and maintain collaborative relationships with schools, colleges and relevant stakeholders, including participation in Advisory Committee meetings.
- Contribute to the strategic growth, development and promotion of the Physical Science programme.
- Participate in departmental, faculty and institutional activities that support teaching excellence, student success and programme sustainability.

Women and people with disabilities are encouraged to apply.
