VACANCY BULLETIN

Associate Professor
Faculty of Engineering and the Built Environment
Department of Mechanical and Mechatronics Engineering
Pretoria Campus
Ref: 25/641B2

The Department of Mechanical and Mechatronics Engineering in the Faculty of Engineering and the Built Environment requires the service of an Associate Professor.

INSTRUCTIONS: Applicants are required to submit, together with the CVs, a fully completed standardized application form available from the university intranet as well as recently certified copies of qualifications and Identity Document. Failure to comply with this instruction will disqualify the candidate. Candidates may be subjected to appropriate psychometric testing and other selection instruments.

CRITICAL PERFORMANCE AREAS

- Associate Professor with specialization in **Mechanical and Mechatronics / Electronics / Electrical Engineering**
- Lead in research
- Provide sound academic teaching and learning practices with continuous TLT innovations.
- Taking responsibility for graduate attribute rubrics (GAs).
- Compile and maintain quality study and practical guides, subject files, and other TLT materials.
- Lead and participate in community service projects of the faculty/department.
- Liaise with industry regarding practical training, advisory committee meetings, industry visits, and other related activities.

MINIMUM REQUIREMENTS

Academic qualifications:

A PhD in Mechanical and Mechatronics / Electronics / Electrical Engineering (NQF10) with specialization in: Mechatronics / Automation.

Experience:

- 5 years relevant experience at Senior Lecturer level.

Registration with professional body (if applicable):

- Professional registration with ECSA as a **Professional Engineer** will be advantageous.
- Eligibility to register as a **Professional Engineer**.

Other Requirements:

- Candidate will be expected to complete the scoresheet along with your application and supporting evidence (links) as per the University policy.

Women and people with disabilities are encouraged to apply.
