

**Tshwane University
of Technology**

We empower people

The Department of Pharmaceutical Sciences, in the Faculty of Science requires the services of a Clinical preceptor for the BPharm programme

Critical Performance Areas

- Facilitate hands-on clinical learning and skills acquisition in healthcare settings.
- Conduct site-visits during workplace-based learning, ensuring that students adhere to professional standards.
- Encourage ethical practice, reflective learning, and ongoing professional development.
- Support students in building clinical competence, critical thinking, and decision-making skills.
- Preparing and conducting tutorials and workshops.
- Conduct formative and summative clinical assessments in line with programme outcomes.
- Contribute to the development and review of clinical learning materials and assessment tools.
- Foster positive relationships with clinical sites and industry partners.
- Participating in staff and specific module meetings.
- Student consultation.

Minimum Requirements

- BPharm degree.
- Registration with the South African Pharmacy Council (SAPC) would be advantageous.
- A Masters in Pharmaceutical Sciences or relevant field (Pharmacology/Clinical Pharmacy)
- At least three years' teaching and/or research experience at a tertiary institution and/or industry related experience.
- Proven ability in using teaching technology.
- Proficiency in MS Office and other computer programmes.
- Full proficiency in English is a prerequisite.
