INSTRUCTIONS: Applicants are required to submit, together with the CVs, a fully completed standardized application form available from the university intranet as well as recently certified copies of qualifications and Identity Document. Failure to comply with this instruction will disqualify the candidate. Candidates may be subjected to appropriate psychometric testing and other selection instruments

Minimum Requirements

- Academic qualifications: Master's degree in Architecture, or HEQSF equivalent (5-year BArch degree).

Critical performance areas:

- Lecturing of the above-named subjects.
- Standard academic duties and responsibilities.
- Evaluate students on a continuous basis as well as administer tests and assignments according to study guides.
- Community service and Industry Liaison.
- Research, innovation or community involvement
- Setting, preparing and conducting lectures for the subjects.
- Marking assignments and tests and conducting practicals.
- Participating in departmental meetings and subject meetings.
- General administration such as capturing test and assignment marks on ITS System, uploading documents on myTUTor and compiling subject file(s).
- Student consultation.

Experience

- A minimum of three (3) years teaching experience in Architecture or in related CPD courses.
- Experience of working in a high-quality academic research environment.
- An ability to teach, mentor and guide students.
- Experience of critical formative assessment of design and theory, as well as general experience offering construction at under-graduate levels.
- Presentation of practical classes and critique of designs on group and individual basis.

Knowledge and Skills:

- Excellent communication and interpersonal skills which give you the ability to engage with students, colleagues, business and other agencies on a wide variety of matters.
- Working as a member of a coordinated team.

Registration with professional body (if applicable):

- Registration with the South African Council for the Architectural Profession (SACAP) will be advantageous.
- Registration with a voluntary Architectural body such as the PIA / SAIA will be advantageous.

Candidates may be subjected to appropriate psychometric testing and other selection instruments.

Send your CV to: labuschagnemm@tut.ac.za

Closing Date: **16 November 2026** – Enquiries to Dr Tariené Gaum, Tel: 012 382 4214/ 5252 or LabuschagneMM@tut.ac.za. NB.: If we have not responded within a month from the closing date,

Women and people with disabilities are encouraged to apply.

you should regard your application as unsuccessful. Correspondence will only be entered into with short-listed candidates. **The University reserves the right not to make an appointment.** It is the intention of the University to promote representativity in respect of race, gender and disability through the filling of this post.
