# VACANCY BULLETIN

**3 x Part-Time Lecturers**
**2027 Semesters Contract**
**Electrical Engineering, eMalahleni campus**
**ref: 26/C19**

The Department of Electrical Engineering, Faculty of Engineering and the Built Environment, has three (3) Part-time Lecturer positions to teach Workshop Practice/Electronic Technology (Higher Certificate), Digital Systems IA, and Electronics IA subjects at the eMalahleni Campus.

Critical Performance Areas

- Presenting lectures and tutorials for the subjects mentioned above.
- Setting assessments, examination question papers and marking scripts.
- Keeping subject files up to date for each subject taught.
- Preparing practical activities for each subject, supervising, and evaluating individual project work.
- Being responsible for all general admin work related to the subjects, including updating study guides and lecturer materials on MyTUTor, and uploading assessment marks on ITS.
- Quality teaching and learning with technology.
- Implementing the faculty's teaching and learning strategy with evidence.
- Ensuring that all students do the lecturer's assessments on myTUTor.
- Ensuring that all allocated subjects adhere to the assessment structure and time frames (submission of marks, moderators, and other related processes)
- Motivating and reminding students to register (activate) their TUT4Life free email account.
- Using TUT4Life as the default means of communication for allocated subjects.
- Making all announcements regarding my subject(s) in class and myTUTor. If an announcement has not been posted to my group(s) on myTUTor, then an announcement is not formal.
- Sending email reminders to all students at least three days before the deadline for projects and assignments, and test dates. Take note that myTUTor can be configured to do this automatically.

Competencies

- The candidates should have experience teaching related subjects.

Requirements

- A relevant BEngTech/BEngTechHon degree (NQF level 7/8) in Electrical Engineering.

Experience

- Two (2) years of relevant teaching/industry experience in the field
- Experience with myTUTd2l (Brightspace) or other online content management systems will be advantageous.

Registration with a relevant professional body (if applicable)

Women and People with disabilities are encouraged to apply.
