PART TIME LECTURERS X 2
DEPARTMENT OF TECHNOLOGY AND VOCATIONAL EDUCATION
FACULTY OF HUMANITIES
SOSHANGUVE NORTH CAMPUS
Ref:26/G94

The Department of Technology and Vocational Education in the Faculty of Humanities invites applications for Part-Time Lecturer positions for the 2027 academic year at the Soshanguve North Campus to lecture the following subjects in the **Diploma in ACET** program: **Level 1**: Civil Services (UCI105D); **Level 2**: Building Construction (UBC206D) and Civil Services (UCI206D); **Level 3**: Building Construction (UBC306D) and Civil Services (UCI306D).

INSTRUCTIONS: Applicants are required to submit, together with the CV's, a fully completed standardized application form available from the university intranet as well as recently certified copies of qualifications, Identity Document. Failure to comply with this instruction will disqualify the candidate. Candidates may be subjected to appropriate psychometric testing and other selection instruments.

Key performance areas/Core functions:

The Lecturer in the Department of Technology and Vocational Education within the School of Education is responsible for providing academic leadership in teaching, learning, curriculum development, research, and administration in accordance with the Minimum Requirements for Teacher Education Qualifications (MRTEQ) and other relevant higher education regulatory frameworks.

- Teach and facilitate Civil Services and Building Construction modules within the Diploma in Adult and Community Education and Training (ACET) programme.
- Plan, prepare, and deliver lectures, tutorials, practical sessions, and workshops in accordance with approved curricula and institutional requirements.
- Develop and maintain study guides, learning materials, and teaching resources aligned with programme outcomes and quality assurance requirements.
- Utilise digital technologies, Learning Management Systems (LMSs), and other educational tools to facilitate online, blended, and technology-enhanced teaching and learning.

Women and people with disabilities are encouraged to apply.

Tshwane University of Technology

We empower people

- Participate in College-Based Learning and Teaching Practice activities, including student supervision, mentoring, assessment, and liaison with colleges and other relevant stakeholders.
- Participate in Industry-Based Learning and Work-Integrated Learning (WIL) activities, including the supervision, monitoring, and assessment of students in workplace settings.
- Establish and maintain partnerships with industry, TVET Colleges, Community Education and Training (CET) Colleges, and other stakeholders to support student learning and employability.
- Engage in departmental research groups, research projects, and innovation initiatives, contributing to the Department's research agenda, publications, conference presentations, and other scholarly outputs.
- Engage in community engagement projects and initiatives aligned with the strategic objectives of the Department, Faculty, and University.
- Participate in departmental, faculty, and institutional committees, meetings, workshops, and academic activities as required.
- Perform administrative duties related to the Civil Services and Building Construction modules, including reporting, quality assurance, and student support.
- Develop assessment instruments and compile, administer, and moderate assignments, tests, examinations, practical assessments, and other assessment activities aligned with programme outcomes, quality assurance requirements, and institutional policies and procedures.
- Capture and manage student marks and academic records on institutional systems and provide timely and constructive feedback to students.
- Contribute to curriculum development, curriculum review, re-curriculation, and programme accreditation processes to ensure alignment with the Minimum Requirements for Teacher Education Qualifications (MRTEQ) and the Higher Education Qualifications Sub-Framework (HEQSF).
- Promote ethical conduct, academic integrity, excellence, innovation, inclusivity, and quality in teaching, learning, research, and community engagement activities

Minimum requirements:

Academic qualifications:

- NQF level 9 Master of Education Degree with a specialisation in Civil Technology.
