FULL PROFESSORS

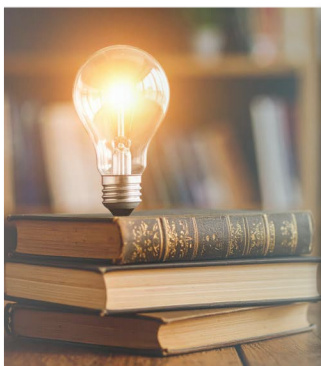

Title:	Prof
Name:	Mashupye H Maserumule
Designation:	Professor and Executive Dean
Contact number:	Tel: (+27) 12 382 9011
Email address:	maserumuleMH@tut.ac.za
Department:	Office of the Executive Dean – Faculty of Humanities
Qualification:	DLitt et Phil in Public Administration - University of South Africa
Areas of expertise:	<i>A developmental state, local governance, state reform, research, politics and theory of knowledge in the field of public administration.</i>
Publications	https://www.researchgate.net/profile/Mashupye-Maserumule

Prof Mashupye Maserumule is a Professor and Executive Dean of the Faculty of Humanities at Tshwane University of Technology. His publications include articles in scholarly, professional and political journals, chapters in books and research papers in conference proceedings. He supervises Masters and Doctoral students in Public Affairs. He has presented papers in national and international conferences. He has participated in the review of a single public service bill for the Ministry of Public Service and Administration. Prof Maserumule has completed a commissioned research paper on Development and Transformation: The Place of State-Owned Enterprises (SOEs) in the Developmental State for the Presidential Review Committee on SOEs. He is the Chief Editor of the Journal of Public Administration and a member of the South African Association of Public Administration and Management (SAAPAM). He is also a commissioner (public policy and governance) of the South African National Planning Commission.

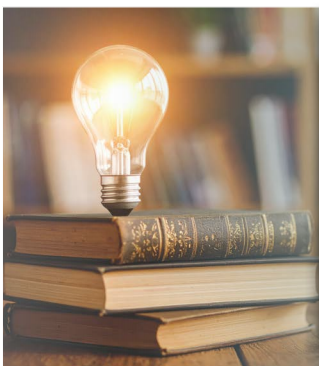

Title:	Prof
Name:	Bongazana Dondolo
Designation:	Professor and Assistant Dean: Teaching and Learning
Contact number:	Tel: (+27) 12 382 9499
Email address:	dondoloB@tut.ac.za
Department:	Office of the Executive Dean – Faculty of Humanities
Qualification:	PhD in Marketing Management – North West University
Areas of expertise:	<i>Social media, Technology use in organisations, Advertising Communication, Marketing Communication, Brand Communication, Crisis Communication and Reputation Management.</i>
Publications	https://www.researchgate.net/profile/Bongazana-Dondolo

Prof Bongazana Dondolo obtained her PhD in Marketing Management at North West University. She has supervised to completion many Masters and Doctoral students. In addition, Prof Dondolo has served as an examiner for Masters and Doctoral dissertations and theses at several universities. Her research outputs include numerous peer-reviewed articles in national and international journals, contributions to conference proceedings both locally and internationally and book chapters. She also serves as a reviewer for international journals. Prof Dondolo is the leader of the E-assessment and E-learning project of the Women in Research Forum in the Faculty of Humanities.

Title:	Prof
Name:	Thelma De Jager
Designation:	Professor and Assistant Dean: Research, Innovation and Engagement (RI&E)
Contact number:	Tel: (+27) 12 382 9395
Email address:	dejagerT@tut.ac.za
Website:	http://www.thelmadejager.co.za/
Department:	Office of the Executive Dean – Faculty of Humanities
Qualification:	D Ed – University of South Africa
Areas of expertise:	<i>Teaching and learning strategies and methods to improve the development of learners/ students' critical thinking skills, science education, digital learning and pedagogy, differentiated teaching and the inclusion of multi-cultural students in education.</i>
Publications	https://scholar.google.com/citations?user=20S3xZYAAAAJ&hl=en

Prof Thelma de Jager is the Assistant Dean: RI&E. She has authored various peer-reviewed articles and chapters in books in collaboration with other institutions. She is a C-NRF rated researcher. She is a reviewer of accredited and peer-reviewed journals. She supervises postgraduate Masters and Doctoral students. Prof de Jager served on the Editorial Board of the International Technology, Education and Development Conference and SAARMSTE and was awarded "Woman Researcher of the Year" and "Lecturer of the Year" (Faculty of Humanities) several times and was also a finalist in the National Lecturer Awards representing TUT academic staff at HELTASA. She has participated in various international projects as the main project leader and conducted research studies with Finland, Netherlands, Spain, Turkey, South Korea, and Indonesia. Furthermore, she was awarded an EU Saturn bursary to participate in a research study at Groningen University, Netherlands and received the NRF grant for research.

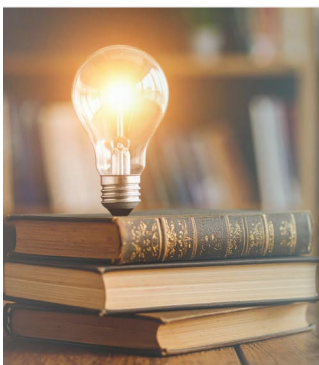

Title:	Prof
Name:	Anil Kanjee
Designation:	Professor
Contact number:	Tel: (+27) 12 382 9475
Email address:	kanjeeA@tut.ac.za
Department:	Primary Education – Faculty of Humanities
Qualification:	D Ed – University of Massachusetts
Areas of expertise:	<i>Use of AI and Future learning; Assessment for Learning; National and international assessment studies; Exploring the impact of AI on learning, assessment and equity; Enhancing the use of classroom and large-scale assessments to improve learning for ALL; Application of Item response theory for enhancing the use of assessment results; Learner rights, learner voice and learning across schools in different poverty quintiles; Monitoring and evaluation of education systems, programmes and projects.</i>
Publications:	https://scholar.google.com/citations?user=TtJybB8AAAAJ&hl=en

Anil Kanjee is a Professor in the School of Education whose research focuses on the intersection of learning, assessment and social justice. He is the Coordinator of the Assessment and Learning Research Programme and the Masters and Doctoral Studies Programme. He also serves as a Research Fellow at the Oxford Centre for Educational Assessment. He has served as a technical advisor to education ministries in Africa and Asia as well as to national and international organisations like UNESCO and UNICEF. In 2022, the AD Scientific Index ranked Prof Kanjee number 44 in the country's Top 100 scientists in the education category. He is currently partnering with the Department of Basic Education and teacher unions to implement the national Assessment for Learning Pedagogical Strategy in South African schools.

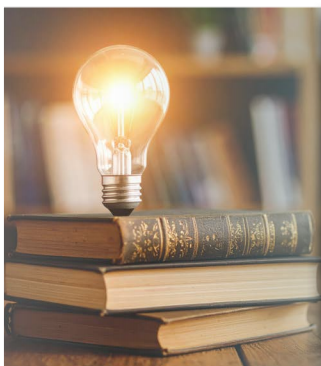

Title:	Prof
Name:	Moses Makgato
Designation:	Professor
Contact number:	Tel: (+27) 12 382 9304
Email address:	makgatoM@tut.ac.za
Department:	Technology & Vocational Education – Faculty of Humanities
Qualification:	D Ed in Technology Education - University of South Africa
Areas of expertise:	<i>Technology and Vocational Education, Technology Education, the use of digital technology in teaching and learning.</i>
Publications:	https://www.researchgate.net/profile/Moshe-Makgato

Prof Moses Makgato has published more than 30 articles in journals and conference proceedings and has presented more than 40 papers at both national and international conferences. He has reviewed articles in various journals and NRF application proposals for projects and ratings. He has also authored several books for Further Education and Training (FET) colleges. Prof Makgato supervises Masters and Doctoral students in the field of Educational Technology. He is also involved in several projects such as the BMW CAT Project with eight schools, since 2011. In 2017, he was part of the consortium research project commissioned by DHET in Technical and Vocational education with WITS and UFS, as well as WIL project by CPUT. He is currently a Project Coordinator for the development of B.Ed. SP FET programme qualifications. He is also coordinating the development of TVET qualifications for TVET lecturers. Furthermore, Prof Makgato has initiated and edited a book titled “New Models for Technical and Vocational Education and Training” published in 2020 by IGI Global Publishers. From 2019 -2023, he has been leading a Capacitation Programme project for developing vocational skills training to TVET College lecturers, funded by TETA SETA.

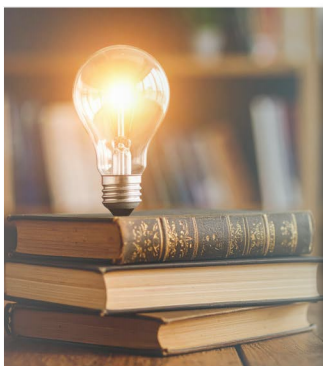

Title:	Prof
Name:	Mzwamadoda P Cekiso
Designation:	Professor
Contact number:	Tel: (+27) 12 382 9182
Email address:	cekisoMP@tut.ac.za
Department:	Applied Languages – Faculty of Humanities
Qualification:	PhD in English - North West University
Areas of expertise:	<i>Reading and writing in second language, learning styles, onomastic and second language teaching methods.</i>
Publications	https://www.researchgate.net/profile/Madoda-Cekiso

Prof Mzwamadoda Phillip Cekiso holds a PhD in English from the North West University. He is the author of 75 articles in accredited journals, four book chapters and co-edited two books. Prof Cekiso has successfully supervised 24 master's students and 23 doctoral students. He is currently supervising two master's students and 4 doctoral students. He has delivered papers at many national and international conferences. Prof Cekiso has a C2 NRF rating. He has reviewed articles for national and international journals. He has externally examined several doctoral theses and master's dissertations for various universities.

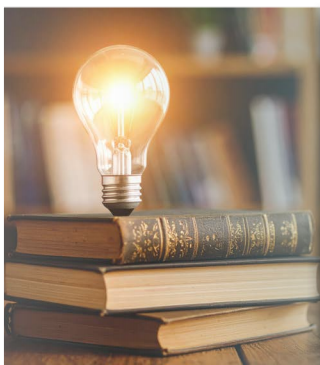

Title:	Prof
Name:	Jacob T Mofokeng
Designation:	Professor and African Research Chair for Campus and School Public Safety
Contact number:	Tel: (+27) 12 382 9550
Email address:	mofokengJT@tut.ac.za
Department:	Law, Safety and Security Management – Faculty of Humanities
Qualification:	D Tech in Policing - Tshwane University of Technology
Areas of expertise:	<i>Police corruption, railway safety, and knowledge management, transnational crime specifically in human trafficking, terrorism and organised crime.</i>
Publications	https://www.researchgate.net/profile/Jacob-Mofokeng

Prof Jacob Mofokeng is the holder of the African Research Chair for Campus and School Public Safety. His current portfolio focuses on campus safety, security, and violence. He is actively involved in providing expert opinion around topical issues with various media houses that mainly reflects his expert analysis about crime and the justice system. He has presented papers both at national and international conferences. He is registered with the South African Council for Educators as a professional educator in English and Mathematics.

Title:	Prof
Name:	Sibongile Mnisi
Designation:	Professor
Contact number:	Tel: (+27) 12 382 5772
Email address:	mnisiS1@tut.ac.za
Department:	Educational Foundation – Faculty of Humanities
Qualification:	D Ed - Tshwane University of Technology
Areas of expertise:	<i>Educational technology; General education, instructional design, eAssessment, AI in education, and emerging technologies.</i>
Publications:	https://www.researchgate.net/profile/Sibongile-Simelane-Mnisi https://scholar.google.com/citations?user=mgrgvEIAAAAJ&hl=en

Prof. Sibongile Mnisi (also known as Simelane-Mnisi) is a full professor, instructional designer, and lecturer at Tshwane University of Technology (TUT). An expert in educational technology, she is passionate about integrating technology into education. She is a dedicated researcher, author, and leader. She has supervised 13 Master's and Doctoral students and hosted two postdoctoral candidates. Her work includes 31 peer-reviewed journal articles, 57 conference papers, and 12 book chapters. She co-authored and edited Teaching with Information and Communication Technology (ICT) and has presented over 100 papers in workshops, seminars, and conferences and has been invited as a guest scholar worldwide. She collaborates with the University of South Africa (UNISA) in the community engagement project to empower rural teachers with the incorporation of technology in education. Prof Mnisi participates in an international virtual exchange program. Recognised for her contributions, she has received awards for instructional design and research, including Emerging Researcher and Woman Researcher of the Year.

ASSOCIATE PROFESSORS

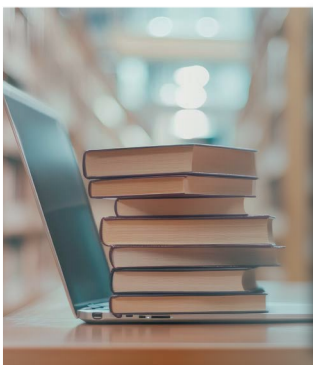

Title:	Prof
Name:	Lydia K Mphahlele
Designation:	Associate Professor
Contact number:	Tel: (+27) 12 382 9458
Email address:	mphahleleLK@tut.ac.za
Department:	Primary Education – Faculty of Humanities
Qualification:	D Ed in Education Management - Tshwane University of Technology
Areas of expertise:	<i>Teacher development and improvement of schools</i>
Publications:	https://www.researchgate.net/profile/Lydia-Mphahlele

Prof Lydia Mphahlele is an Associate Professor in the Department of Primary Education at the Tshwane University of Technology. She holds a Master of Business Administration in Education Management from Haaga-Helia University of Applied Sciences in Finland. Prof Mphahlele has contributed to several national and international projects, including the European Union-funded Strengthening Foundation Phase Teacher Education Programmes, and served as coordinator of the GAMMA Project, a hybrid techno-blended teaching and learning support initiative for Mathematics, Physical Sciences, and STEAM education in schools and among TUT Mathematics students. She also participated in the Assessment for Learning (AfL) teacher development project and was instrumental in developing the PGCE, Intermediate Phase, and Foundation Phase programmes, as well as curricula for FET and GET at TUT. Prof Mphahlele has published in accredited journals and presented at both national and international conferences. She is actively involved in postgraduate supervision within the faculty and is a member of the Education Management Association of South Africa (EMASA).

Title:	Prof
Name:	Dane Ally
Designation:	Associate Professor
Contact number:	Tel: (+27) 12 382 9506
Email address:	allyD@tut.ac.za
Department:	Law, Safety and Security Management – Faculty of Humanities
Qualification:	LLD Degree - University of Pretoria
Areas of expertise:	<i>Constitutional Law, Criminal Procedural Law, Law of Evidence and Human Rights Law, more particularly the protection of socio-economic rights and the advancement of the right to development.</i>
Publications:	https://www.researchgate.net/profile/Dane-Ally

He has participated in the review of Occupational subjects and in the drafting of the framework in the Department of Basic Education. Dr Mtshali has been involved in community outreach program offered by Anglo Platinum Schools Projects and became head of technical subjects. He is currently a research chair in the Department of TVE.

Title:	Dr
Name:	Jamwell V Maswanganyi
Designation:	Senior Lecturer
Contact number:	Tel: (+27) 12 382 9894
Email address:	maswanganyijv@tut.ac.za
Department:	Law, Safety and Security Management – Faculty of Humanities
Qualification:	Doctor of Laws (LLD) (Jurisprudence) - University of South Africa.
Areas of expertise:	<i>Labour law, health research ethics and law, information ethics and law, governance ethics and law, constitutional law and tax law.</i>
Publications:	https://www.researchgate.net/profile/jamwell-maswanganyi

Dr Jamwell Maswanganyi specialises in the field of labour law and labour relations, including advisory work for trade unions. He has, amongst other roles, previously served as a part-time CCMA Commissioner; an examiner at the Films and Publications Board (FPB), a board member of the Steve Biko Academic Hospital Management Board and Deputy Chair of the TUT Bargaining Forum. His doctoral thesis 'a public law approach to health research in South Africa', is an interdisciplinary work traversing law, philosophy and biomedical ethics. It investigated and proposed a paradigmatic shift from a historically, private law-centred approach to health research oversight. This supplemented the earlier research ethics training under the ARESA programme, which was jointly conducted by the Universities of Stellenbosch and North Carolina's Centre for Bioethics.

Title:	Dr
Name:	Ernest K Mashaba

LECTURERS (DOCTORS)

Title:	Dr
Name:	Jeanette K Ramollo
Designation:	Lecturer and Assistant Dean: School of Education
Contact number:	Tel: (+27) 12 382 9924
Email address:	ramolloJK@tut.ac.za
Department:	School of Education – Faculty of Humanities
Qualification:	D Ed - Tshwane University of Technology
Areas of expertise:	<i>Foundation phase mathematics, assessment for learning, language in mathematics and inclusive education</i>
Publications:	https://www.researchgate.net/profile/Jeanette-Ramollo

Dr Jeanette K Ramollo is a lecturer and acting Assistant Dean: School of Education at the Tshwane University of Technology. She has publications, which comprise articles and book chapters and presented in various conference proceedings. Currently, she is writing a chapter and reviewed a chapter in "Early Grade Reading, Mathematics and Interventions in South Africa", publication date to be determined. Also, she is a guest editor in Special Issue of the Journal of Education titled "Entrenching performativity or enhancing pedagogy: Unpacking the impact of assessment systems on equitable and quality education" to be published in 2022. Dr Ramollo supervises masters and doctoral students, of which some masters students have already completed. Several publications on assessment for learning and mathematics teaching and learning are on the pipeline.

Title:	Dr
Name:	Lizette
Designation:	Lecturer
Contact number:	Tel: (+27) 12 382 9366
Email address:	odendaalL@tut.ac.za
Department:	Journalism and Integrated Communication – Faculty of Humanities
Qualification:	D Tech Journalism - Tshwane University of Technology
Areas of expertise:	<i>Print media industry in South Africa, focusing on community newspapers, government and print-industry relationships, media economics (print media) and community media entrepreneurship</i>
Publications	https://www.researchgate.net/profile/Lizette-Odendaal-2

Dr Lizette Odendaal is a lecturer in the Department of Journalism and Integrated Communication at the Tshwane University of Technology. Through her research, Dr Odendaal developed a multi-layered media management model to create a better understanding of the community media sector in South Africa, the changing nature of industry-competition, and the use of key business success factors. The model provides insight and knowledge about the economic objectives of sustainable print-media entrepreneurship as basis for quality journalism, and in an advertising-production equation, enables community editors to find a workable balance between aspects such as costs, products, industry change, customer preferences and diversification. She supervises postgraduate students and coordinates industry liaison within the community media in South Africa.
