

## MOBILE DATA REGISTRATION

All registered TUT students must update their cellphone numbers for the device on which they intend to use TUT-provided data.

## Please follow this process to register your number:

- Log in to the TUT iEnabler System using this link: https://ienabler.tut.ac.za/pls/prodi41/w99pkg.mi\_login
- 2. For mobile devices, click on the menu on the top right-hand corner.

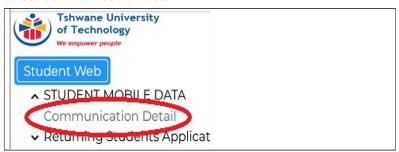

3. For workstations, In the menu on the left of the screen Select "STUDENT MOBILE DATA".

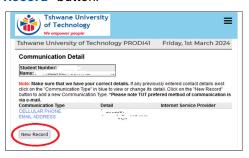

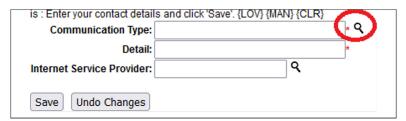

4. Select communication detail.

5. If this is the first time registering your "MOBILE DATA CELL NUMBER" then click on the "New Record" button.

6. Click on the magnifying glass icon under communication type.

7. Select the "MD" on the "MD: Mobile Data Cell Number" record.

8. Type in your device number in the following format 0821234567 under detail (Note: No spaces, brackets or alpha-numerical characters).

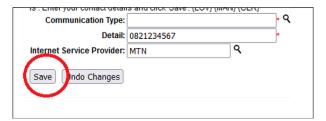

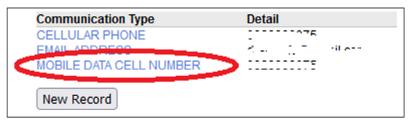

9. Click on the magnifying glass icon under Internet Service Provider:

**10.** Select **your service provider** from the list, then click the **save** button. Your number will now be saved and should display on the screen.

11. To modify your number, you can click on the "MOBILE DATA CELL NUMBER" entry in the list.

## Please note:

- MTN and Vodacom accept data on Tuesdays and Thursdays.
- Telkom only accepts data on Tuesdays.
- CellC accepts data on Thursdays.
- It can take up to five (5) working days before data is allocated.
