# ADVANCED DIPLOMA IN TECHNICAL AND VOCATIONAL TEACHING

## AdvDip (Technical and Vocational Teaching) - NQF Level 7 (140 credits)

### Admission requirement(s) for the Advanced Diploma in TVT include:

- a national N diploma (at NQF Level 6) from a TVET college, or
- an appropriate undergraduate diploma, or
- a bachelor's degree.

The above-mentioned qualification includes sufficient disciplinary learning in appropriate academic fields to enable lecturing a technical or vocational subject or field as taught at TVET colleges. The underpinning disciplinary knowledge or substantial component thereof in the prior qualification must have been studied at the exit level of the entry qualification.

### Selection criteria:

Acceptance is subject to available capacity according to the Student Enrolment Plan (SEP).

### Presentation:

Block mode classes offered on a Saturday.

### Minimum duration:

Two years.

### Closing date for application:

31 July
