

Best practices for using HTML Templates in Brightspace

#32

Q: Why should I make use of the HTML Templates in Brightspace?

A: Access to pre-designed HTML templates is one of the unique features of Brightspace. Utilizing HTML templates ensures consistency and accessibility throughout your modules, and it ensures that your content is visible on any device.

It might seem challenging at first, but the following video will provide you with tips and tricks to quickly master the use of these templates:
