

D2L Brightspace Learning Management System

LMS Terminology / Glossary Functionality

#17

When changing from one LMS to another there will always be terminology that is different. Use the Glossary function to check the meaning of terminology you might be unsure of. Please alert your Instructional Designer if you don't find the term you are looking for in the Glossary.

Q: Where do I find the Glossary?

A: In the Nav Bar in the myTUTOR Resources Module (TUT101R)

Tshwane University
