

Granting module access to moderators

#27

Q: How does the moderator get access to “My Assessments”?

- A:**
- The lecturer or module coordinator should send an email to mytutor@tut.ac.za requesting the moderator to be linked to a module. Provide the myTUTOR Service Desk with the moderator’s name, surname and TUT email address including the module code of the module to be moderated. Departments can request ICT Services at ICTServiceDesk@tut.ac.za to create a TUT email.
 - myTUTOR Service Desk will link the moderator to the module and inform the requester that the moderator(s) were linked.

Additional information is available at:
