

## D2L Brightspace Learning Management System

# Module Review

# #2

The content for 2021 Semester 1, Year and Fully Online has already been migrated from Blackboard to D2L Brightspace. Migration of Semester 2 content will commence in March 2021. Content developed in Blackboard will display differently in Brightspace because they are different platforms.

**Q:** Why should I REVIEW my content in myTUTor (Brightspace)?

**A:** To ensure that:

- All module elements have been migrated from Blackboard into Brightspace.
- All units (chapters) have appropriate content.
- Content items including videos display properly.
- All links are working and directing students to the right content.
- Content is restructured into the TUT template.
