

## D2L Brightspace Learning Management System

# Use of Release Conditions to personalise students' learning

#7

The Release Conditions Tool allows you to restrict who can access module materials, complete activities, participate in a discussion, or view grade items based upon customized criteria.

**Q:** How do I personalise *students' learning* using the Release Conditions?

**A:** Release conditions are available within various myTUTOR (Brightspace) tools. Create, and click on Release Conditions to personalise any of the below listed tools to a specific target group.

- Assignments
- Intelligent Agents
- Content
- Discussions
- Grades
- Quizzes (To name but a few)
