#11

Previously, you could only view module grades from notifications in Brightspace Pulse or by opening a browser and navigating to the Grades tool in Brightspace Learning Environment. You can now view all grades for your modules from the new Grades tab.

Q: How do I view my grades in the Brightspace Pulse App?

- A:**
- To view all grades for a module, Click on the Courses tab.
 - Next, Click on your module, and then the Grades tab. All received grades for the module will be displayed, including any feedback.
 - To open the Grades tool in a browser and view full grade breakdowns and calculations, Click on View Grades in Browser.
